Key observations

Coverage volume. The supplied inventory contains 29 article-page links, 16 live homepage-only links, and 8 not-live links, for a total of 53 URLs.

Domain concentration. The Isabela group spans four domains; the Julio / related group spans multiple domains, with CorporateWire, MagazineGazette, InvestmentBanking.org, MoreNews and TheCapitalismBlog each represented by more than one article link across the Julio, Soto, Lord Fink, and Pope Leo XIV subgroups.

Google Ads placement. 6 of the 29 coverage links have been placed on Google Ads, added by Dinu, Cenika, Aslam, and Adharsh.

Interpretation. This document records placement and reported status only. It does not assess reach, sentiment, editorial independence, accuracy, or reputational impact.
